Initial Accident and Injuries

Jane Doe was involved in a motor vehicle accident resulting in soft tissue injuries including neck pain and left arm pain. The accident occurred as another driver ran a red light and collided with Jane's vehicle, leading to

"JD starts to turn left - as he was proceeding with turn another car (DF) blew a red light and hit JD on driver side. This caused JD to hit another car that was turning left from the Dollarama parking lot (lincoln)."

Part 1: STATEMENT OF FACTS

1. The Plaintiff, Jane Doe, is a Radiation Therapist and resides at 160-1350 100 Avenue, BC, VT03.
2. At all material times, the PT was employed by BC Surrey, located at 1350 Avenue, Surrey, BC, V31Z2.
3. The Defendant, VC Life Assurance Company, is a company incorporated pursuant to the laws of Canada with its address at 1510-1155 Street, Vancouver, BC, VX1K8.
4. The PT has been suffering from major depression disorder, panic disorder, and a phobia of people, which led to her being unable to work since Jan 22, 2022.
5. On October 3, 2022, the PT applied for Long Term Disability (LTD) benefits through VC Life Assurance Company, which were subsequently denied.
6. The denial of LTD benefits by VC Life Assurance Company was based on an assessment by Dr. Scarth, who stated that despite the Plaintiff's reported symptoms should be able to perform her duties as a Radiation Therapist without significant limitations.
7. The PT has not returned to work since her disability began and has applied for sickness Employment Insurance (EI) but has not applied for Pension Plan (PP) disability benefits.

BUILT FOR EACH ONE OF YOU

Every lawyer has their own working style, and it's always perfect. We don't want to change that.

1. Customized

Tailored to your unique style unlike one-size fit solutions

2. Localized

Maintain complete control over your data and infrastructure

3. Preferred Formats

Get it your way, styled just how you want

4. Integrated

Seamlessly integrates with your preferred tools

5. Built for You

Leverage your organizational knowledge to optimize for you

THE SECRET SAUCE IS CHERRY PICKING

The platform is built using the best components from different AI Models. Google DOC AI is amazing at running OCR on thousands of pages, ChatGPT can run better inference, Claude is faster. We packaged it all together

Powered By:  **OpenAI** | **ANTHROPIC** |  **Google AI** |  **Microsoft**

Early Access to Cutting-Edge Models

Each part of the platform can be updated to the newest version right on launch day, so you'll always be ahead.

Ultra Reliable & Accurate Outputs

Every AI element is verified using multiple models in the background to give you most accurate result possible.

No Wait Time & Unlimited Revisions

The whole process is fully automated giving consistent output within minutes at any given time.

ROADMAP

No long training periods or waiting times for setup. You can start using it **right away!**

Integrated with your favorite tools, including,

 **LITIFY**  **Clio**  **Filevine** and many more

TEAM

Experienced technologists with expertise spanning wide range of industries and companies of all sizes.

Masaf Dawood
